

Fair evaluations

Qualified assessments

Prompt delivery

Universal Evaluations delivers quality credentials evaluation services through a system of continuous learning process and through qualified and experienced evaluators. Our credentials Evaluation Service provides assistance in interpreting the educational backgrounds of people who have studied outside the U.S. and who need statements of U.S. educational equivalencies.

The evaluators at Universal Evaluations are actively engaged in international education research projects, keeping abreast of changes in educational systems in various geographies. Our multinational and multi-lingual team of evaluators has many years of training and experience in international education. Our approach to the evaluation of foreign educational educational credentials is with a thorough knowledge and understanding of the varied structures of both the U.S. and foreign educational systems.

Our services are used by attorneys, individuals, colleges, universities and corporates worldwide.

MISSION

To be part of constantly changing world of educational systems; facilitate the integration of individuals educated outside the Unites States into the U.S. educational environment and workforce; fair and affordable evaluations; maintain world-class standards and provide excellent service to our clients.

At Universal Evaluations, U.S. Equivalency is determined by experienced evaluators, professors and experts.

Universal Evaluations is essential when you seek education, licensing, employment or immigration opportunities in the U.S. Universal is recognized and accepted by U.S. institutions, employers and government agencies such as U.S. Citizenship and Immigration Service. Universal's evaluation process and methodology is carefully calibrated to render assessments that are honest, fair and accurate. Universal's evaluations can be used for higher education, employment and immigration purposes in the U.S. For one low fee, Universal evaluates all academic and experience-based credentials.

OUR EXPERTISE

Our staff is comprised of highly qualified and experienced evaluators / research / professionals in the Research, Education, Foreign Education, Immigration, etc., evaluator assistants and client service representatives. They have published articles, made presentations, served on committees and held office in major national professional associations. We bring the expertise of trained evaluators to each detailed evaluation report we issue.
